

# Local Work Group development of local EQIP.

## Murray District FY09 EQIP

### 1. List the local resource concerns that EQIP can address:

Flood control  
Surface and ground water quality  
Feedlot runoff  
Soil erosion  
Grazing management

### 2. If applicable, list any geographic regions (i.e. watersheds, townships, etc.) and their respective resource concerns within the District to receive priority:

Beaver Creek Watershed due to TMBL, turbidity, and coliform.  
Chanarambie Creek watershed due to TMDL, turbidity, and coliform

### 3. From items 1 & 2 above prioritize the local resource concerns to be addressed with EQIP funding for the district. Describe a minimum of 3 categories of the highest priority applications which you would want to receive funding.

Surface water quality in the Chanarambie Creek Watershed  
Water control in the Beaver Creek watershed  
Feedlot runoff and manure management in with in shore land zones county wide  
Grazing management

### 4. Develop a minimum of 3 and maximum of 12 yes/no questions to determine if an application is addressing the high priority concerns described in item 3.

- 1) Is the land located in the Beaver Creek or Chanarambie Creek watersheds?
- 2) Will a flood control structure be implemented?
- 3) Will the EQIP application address livestock management within a shore land zone?
- 4) Does the EQIP application address a water resource concern?
- 5) Does the EQIP application address two resource concerns?
- 6) Does the EQIP application address three or more resource concerns?
- 7) Is an erosion control practice being implemented?

5. Assign points to the questions in Item #4 as desired to reflect local priorities. The total points assigned to the questions should be between 35 to 60 points.
  - 1) 12 points
  - 2) 20 points
  - 3) 8 points
  - 4) 5 points
  - 5) 5 points
  - 6) 5 points
  - 7) 5 points
6. Submit this worksheet to your respective ASTC(FO). After approval from the state office, the questions will be entered into the Local Issues section of the ranking tool.
7. List any recommended practices to be deleted from the state Conservation Practice Payment Document

The local EQIP program description, cost-share docket changes, and ranking worksheet must be reviewed and approved by the State Conservationist before any EQIP contract is approved and signed.

This document serves as the Local Work Group recommendation for FY 09 EQIP. Attached is a roster of participation in the Local Work Group.
